# Dogs Literacy and Math Centers

PRE-K  
SET #2

Thanks so much for purchasing my Dogs Literacy and Math Centers! This packet contains five Pre-K themed literacy centers and five themed Pre-K math centers. These literacy and math centers are rigorous enough to build important skills, yet kid-friendly for independent work. Please note that these activities are accompanied with student recording sheets and teacher skill-based checklists. The teacher and support staff will be able to track the progress of the students in the class based upon their work on these independent centers.

If you have any additional questions as always, feel free to email me at [littlemindsatworkllc@gmail.com](mailto:littlemindsatworkllc@gmail.com), follow me on [Facebook](#), or visit my blog, [Little Minds at Work](#)

A 3x4 grid of letters. The letters are white with a black outline. The background is a close-up of a dog's face, which is mostly white with some black patches. The dog's eyes are visible in the middle row, and its nose is visible in the bottom row. The letters are arranged in three rows and four columns.
