# INSTANT Sight Words Mingle Overview

## What are the INSTANT Digital Sight Words Mingle Slides?

The INSTANT Digital Sight Words Mingle Slides are quick conversation starters for in-class or virtual learning settings. These slides can be used for phonics block starters, morning check-ins, oral language building, speaking and listening standards, expanding ELL learner vocabularies, etc. The slides are offered in multiple formats: PDF, PowerPoint, Google Slides™, and individual PNG (picture) images. These PNG images can be loaded to any virtual learning platform (SeeSaw, Schoology, Canvas, Dojo, etc.)

You will access the PDF, PowerPoint, and PNG slides within your zipped download. To access the Google Slides™ version click [\*\*\\*\\*HERE\\*\\*\*\*](#) If using the Google Slides™ version you can choose to assign just one slide at a time. Click the slide of choice, then click, file, make a copy, and choose selected slides.
