

A NOTE FROM TARA WEST

Thanks so much for downloading my INSTANT Assessments freebie packet. This packet is designed to offer a quick way to assess letter names and letter sounds! This packet contains 10 assessments and trackers. Students will have to write two oral listening letters OR sounds, write matching beginning sounds, circle the matching beginning sounds, read sounds, and write a matching case letter. There are answer keys included as well. If you have additional questions about this packet, you can reach out to me directly at littlemindsatworkLLC@gmail.com
