

■ A NOTE FROM TARA WEST

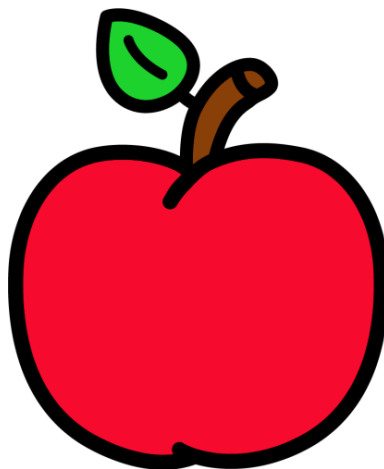

Thanks so much for downloading the hands-on and engaging free Phonics 3-Part Self Correcting Cards. This resource can be utilized as small-group practice, phonics center, or an at-home supplement. Students look at the icon and its matching letter/word. Then, they find the corresponding individual image and letter/word cards to complete the 3-part, self-correcting set. If you have questions as always, feel free to email me at littlemindsatworkLLC@gmail.com, follow me on [Facebook](#), or visit my blog, [Little Minds at Work](#).
