

## ■ A NOTE FROM TARA WEST

Thanks so much for downloading the free Phonics Build-an-Expander/Sentence Pyramid free download. This free download offers 50 phonics skill-based sentence expanders/pyramids. These printables can be used in multiple settings: whole-group instruction, small-group instruction, intervention group, independent phonics center, and/or at-home supplement. Students will cut the strips to build the sentence. Repeat the reading multiple times to build fluency. They can also cut out the included clip art image to color and the pre-reading (or post-reading) fluency strip. If you have questions, email: [littlemindsatworkLLC@gmail.com](mailto:littlemindsatworkLLC@gmail.com), follow me on [Facebook](#), or visit my blog, [Little Minds at Work](#).
