## ▮ A NOTE FROM TARA WEST

Thanks so much for downloading the Guided Phonics + Beyond free Read, Build, Write, and Comprehend Printables resource. This resource can be utilized as phonics or writing supplement. This free download offers (12) printables. Students will read the sentences, build the sentence but cut out the embedded cut-up sentence, write the sentence, and then comprehend the sentence by circling the matching image. If you have additional questions, email me at littlemindsatworkLLC@gmail.com, follow me on Facebook, or visit my blog, Little Minds at Work.
