

# WAYS TO MAKE: 10

**FREEBIE**  
{ACTIVITIES AND PRINTABLES}

Thanks so much for downloading my FREEBIE ways to make ten packet! This packet is designed to offer fun and engaging activities to practice combinations of ten. You will be able to use these activities as a supplement to your whole-group math lesson and/or as an independent math center option. All of the activities within this packet are black and white, no color ink necessary!

**\*\*\* You'll want to view THIS blog post for details on this activities \*\*\***

On the following pages you more information on each activity that is included in this packet. If you have any additional questions as always, feel free to email me at [taradc87@Hotmail.com](mailto:taradc87@Hotmail.com), follow me on [Facebook](#), or visit my blog, [Little Minds at Work](#)

Directions: Does it make ten? Cut out cards on pages 10-11 per pair. Students will flip one card at a time and decide if the two ten frames make ten.

Directions: Make it Ten! Cut out cards on pages 12-13 per pair. Students will flip over one card at a time and line them up until two cards appear that make ten. That student keeps that match.
