

## ■ A NOTE FROM TARA WEST

Thanks for downloading the free Guided Phonics + Beyond High Frequency Words Roll + Read Cards. This resource offers 100 fun and engaging roll and read cards. Students will roll a dot cube and read the matching high frequency word. You can also change it to a roll + write approach. Students will roll the dot cube and write the matching high frequency word on a whiteboard or blank sheet of paper. These high frequency word cards can be used in multiple settings: whole-group instruction, small-group instruction, and/or independent literacy center. If you have questions, email [littlemindsatworkLLC@gmail.com](mailto:littlemindsatworkLLC@gmail.com), follow me on [Facebook](#), or visit my blog, [Little Minds at Work](#).
