

■ A NOTE FROM TARA WEST

Thanks so much for downloading the free Guided Phonics + Beyond supplemental packet: Fluency Drills. This packet offers 95 drill sheets designed to offer an engaging way to practice letter names/sound and skill-based words for Units 1-4. The sheets can be placed into a dry-erase sleeve for repeated practice in a literacy center or small-group environment. They also work well for intervention settings and at-home practice. If you have any additional questions as always, feel free to email me at littlemindsatworkllc@gmail.com, follow me on Facebook, or visit my blog, Little Minds at Work.
