

■ A NOTE FROM TARA WEST

Thanks much for downloading the free supplemental digital resource: March Digital Numbers Review Fluency Slides. The resource is offered with thematic clip art imagery to support engagement for the month. This resource offers 100 engaging digital numbers review fluency slides. The resource offers randomized numbers 0-100. The slides are segmented within number ranges. The slides can be randomized more if needed. Furthermore, the slides can be printed into flashcard review form. To complete this, open the file in Adobe, choose the pages to print, click multiple in the print window and choose between 2 per page or 4 per page. The digital numbers review fluency slides can be used in multiple settings: whole-group instruction, small-group instruction, intervention group, or in an independent math center. If you have any additional questions as always, feel free to email me at littlemindsatworkLLC@gmail.com, follow me on [Facebook](#), or visit my blog, [Little Minds at Work](#).
