

### A NOTE FROM TARA WEST

Thanks so much for downloading the free Hands-On and Engaging Learning packet: Leprechaun Number Order and Build Centers. This packet offers 2 free hands-on and engaging math centers. These math centers can be used in multiple settings: whole-group instruction, small-group instruction, intervention group, independent literacy center, and/or at-home supplement. Students write the missing numbers for the number order center. For number build, students will count out a matching set for each numbers. Students will follow-up with the optional response sheets. Students can be equipped with any type of manipulative for counting out the matching sets. If you have questions, email me at [littlemindsatworkLLC@gmail.com](mailto:littlemindsatworkLLC@gmail.com), follow me on Facebook, or visit my blog, [Little Minds at Work](#).
