Lemon Centers Literacy and Math Centers

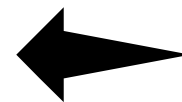

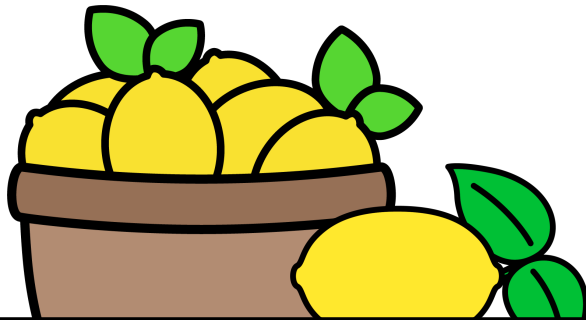

The Lemon phonics and math centers are designed to give students a hands-on and engaging way to practice the letters of the alphabet, beginning sounds, CVC words, digraphs, beginning blends, long vowels, numbers to 20, and fine motor. This packet offers 3 literacy centers and 3 math centers. These literacy and math centers can be used for whole-group instruction, morning work, early finishers, for your small-group reading instruction, intervention blocks, and of course as independent centers. The centers can also be printed 4 pages to 1 sheet. This will allow the centers to be used as task cards.

Included Material:

- 3 Lemon-themed literacy centers
- 3 Lemon-themed math centers
- aligned "I can" cards
- corresponding response sheets

If you have additional questions about this packet, you can reach out to me directly via email: littlemindsatworkLLC@gmail.com

Hands-On Fine Motor

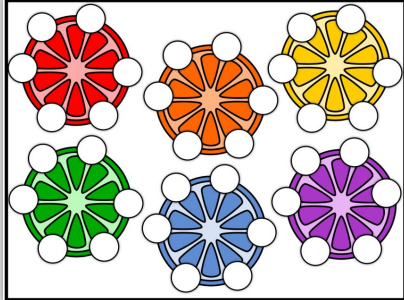

The students will practice fine motor skills by placing pompoms on the circles. For the black-and-white version, they can use bingo daubers.
