**A NOTE FROM TARA WEST**

The Decodable Word Problems packet offers 10 all-in-one sheets designed to give students an engaging way to practice addition and subtraction word problems within 10 using decodable vocabulary. Students will be able to decode and complete these sheets completely solo. Each sheet integrates a decodable word problem, ten frame, equation statement box, vertical number path, and an additional space for an illustration, and/or cut and paste images. This packet can be used as an independent math center, whole-group math component, math intervention, and/or as additional practice for early finishers. If you have additional questions as always, feel free to email: [littlemindsatworkllc@gmail.com](mailto:littlemindsatworkllc@gmail.com), follow me on [Facebook](#), or visit my website, [Little Minds at Work](#).
