

A NOTE FROM TARA WEST

Thanks so much for downloading the Guided Phonics + Beyond free Writing Assisted Label Printables resource. This resource can be utilized as phonics or writing supplement. This free download offers three versions. The first option, is single beginning sound labeling. The second option embeds labeling embedded names. The final version is completely blank so students can create their own stories. If you have additional questions, email me at littlemindsatworkLLC@gmail.com, follow me on [Facebook](#), or visit my blog, [Little Minds at Work](#).
