

# READ-TRACE-WRITE

This image shows a worksheet for the word "said". At the top, it says "HFW Read It, Trace It, Write It Printable Practice" and "Tara West - Little Minds at Work". The word "said" is written in a large, bold font. Below it, there are two boxes for tracing the word, each containing the word "said" in a dotted font. There are also four rows of empty boxes for writing the word, each with a dashed line in the middle. In the bottom left corner, there is a cartoon illustration of a blue pencil cup with a smiling face, containing several yellow pencils with pink erasers. The background is white with a light blue border.

### A NOTE FROM TARA WEST

The HFW Read It, Trace It, Write It Printable practice resource offers 260 engaging sheets designed to offer an engaging way to practice high frequency words for Units 2-6. The sheets can be placed into a literacy center or small-group environment. Sheets can also be used in an intervention setting. Students will write the number of sounds, map, trace, and write the word. If you have any additional questions as always, feel free to email me at [littlemindsatworkllc@gmail.com](mailto:littlemindsatworkllc@gmail.com), follow me on [Facebook](#), or visit my blog, [Little Minds at Work](#).
