DOGS

# Dogs Literacy and Math Centers

Thanks so much for purchasing my Dogs Literacy and Math Centers! This packet contains five Pre-K themed literacy centers and five themed Pre-K math centers. These literacy and math centers are rigorous enough to build important skills, yet kid-friendly for independent work. Please note that these activities are accompanied with student recording sheets and teacher skill-based checklists. The teacher and support staff will be able to track the progress of the students in the class based upon their work on these independent centers.

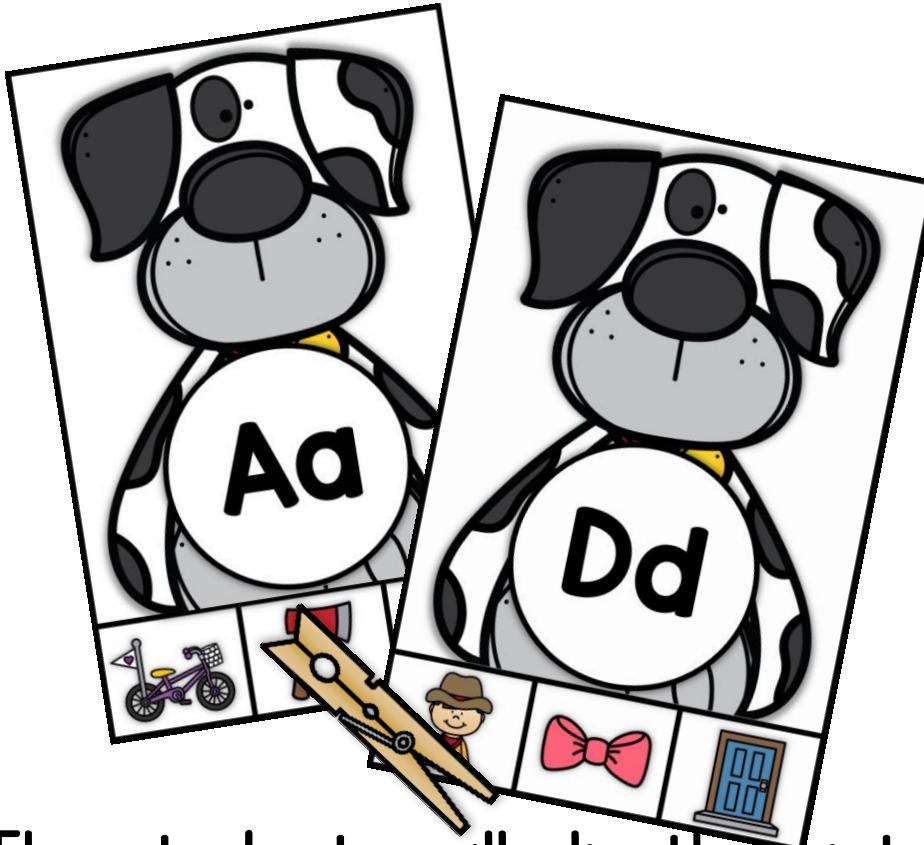

If you have any additional questions as always, feel free to email me at [littlemindsatworkllc@gmail.com](mailto:littlemindsatworkllc@gmail.com), follow me on [Facebook](#), or visit my blog, [Little Minds at Work](#)

A large, handwritten signature in black ink that reads "Tara West". The signature is fluid and cursive, with "Tara" on the first line and "West" on the second line.
