

■ A NOTE FROM TARA WEST

Thanks so much for downloading the free math supplemental packet: Number Writing Sheets. This packet offers 12 engaging number writing sheets. These sheets can be used in multiple settings: whole-group instruction, small-group instruction, intervention group, independent math center, and/or at-home supplement. Students will be encouraged to write the numbers 0 to 10 or 10 to 20. The printables use a horizontal number math and include a reference number path along the top of the page. The printables are great for in-class work or home learning. If you have questions email me at littlemindsatworkLLC@gmail.com, follow on [Facebook](#), or visit [Little Minds at Work](#).
